APOLYTIKIA

Of the Resurrection.

You came down from above, O compassionate,

you accepted burial for three days that you might free us

from the passions. Our life and resurrection, Lord, glory to you!

Blessed are you, Christ our God, who reveal'd the fisher-men to

be most wise by sending down to them the Holy Spirit,
and so through them catch-ing the whole world in a net: Lov-er of man-kind, glo-ry to you!
